Plug & Abandonment – Woolley Location

September 9, 2015

Next week we will be reentering the nearby Woolley pad that is just west of County Road 3 to plug and abandon a well.

This activity will include the use of a small service rig. All access to this location is limited to the access road and all work will be done during daylight hours. We anticipate this activity taking approximately one week to complete.

If you have questions, please contact Encana at 866-896-6371 or CommunityRelationsUSA@Encana.com. You can also visit [Encana's page](#) on the Town of Erie's website for more information, other courtesy notices and more about oil and gas activity in Town.
